About the cover

Located next to the Memory Garden between Parkview and Grandview Drives, the Grove is in the center of the grounds. Often standing-room only, outside services at the Grove were quite popular among visitors to Camp Chesterfield during the summer season. The Minister (or Chairperson) would offer a sermon from the pulpit. The stone benches on either side of the pulpit were where the mediums would sit in preparation for giving Spirit messages to those in attendance. (Photo and information provided by Rev. Prof. Todd Jay Leonard.)

DECLARATION OF PRINCIPLES

- We believe that the phenomena of nature, both physical and spiritual, are the expression of Infinite Intelligence.
- We affirm that a correct understanding of such expression and living in accordance therewith constitute true religion.
- We affirm that the existence and personal identity of the individual continue after the change called death.
- ow We affirm that communication with the so-called dead is a fact, scientifically proven by the phenomena of Spiritualism.
- Rule: "Whatsoever ye would that others should do unto you, do ye also unto them."
- We affirm the moral responsibility of the individual, and that we make our own happiness or unhappiness as we obey or disobey nature's physical and spiritual laws.
- c We affirm that the doorway to reformation is never closed against any human soul here or hereafter.
- We affirm that the precepts of prophecy and healing contained in the Bible and all sacred writings of the world are Divine attributes proven through mediumship.

10 Hints for a Good Reading!

- 1. Seek a medium's help at a time when you are relaxed and undisturbed. If not, put your mind at ease RELAX!
- 2. Allow the medium to proceed in his or her manner. Don't expect your biggest concern to be discussed at once. PA-TIENCE!
- 3. No medium wants or needs help. Let them know when they are correct. BE FAIR!
- 4. Skepticism, demanding proof, arguing or wanting things done your way, only leads to failure. EXPECT GOOD!
- 5. Spirit often manifests by name. However, evidence comes in many other ways as well, such as descriptions, relationships, symbols, etc. BE WILLING TO VERIFY!
- 6. Do not be too quick to say, "No." Wait! YOU WILL SOON UNDERSTAND.
- 7. The true value of a reading isn't always measured by prophecy. Prediction is always possible, but you have free will to make changes in your life. GUIDANCE IS THE KEY NOTE!
- 8. Mediumship is not fortune telling! A good reading should explain the philosophy of right living. EXPECT TRUTH!
- 9. Every medium has a unique way of delivering a reading. Comparing the abilities of one medium with another is unfair.
- 10. Trying to prolong a reading accomplishes nothing. The medium realizes when the spirit connection has ended. PLEASE COME AGAIN!
