NEWS FROM THE PRESIDENT

I am happy to report that some of our committees are very actively pursuing their assigned duties. The Sunflower Committee has worked and obtained a \$2000 grant for a feasibility study. That study will be completed after the Holidays. The Lyceum Committee has made plans to have a "mini-Lyceum" during work weekend in May, so parents can come and help Camp and bring their "kids" for Lyceum. The Lyceum will also take part in the March 31 celebration of the Advent of Modern Spiritualism. They will be doing a skit about the Fox Family, so please come and support them. See the Spring Good News for details.

The Special Events Committee has also been working diligently to have some new and different workshops to pique your interests. The Maintenance Committee started working before they were even appointed, and they are still working. Isn't the Memory Garden beautiful? See the the Chairman's (Phil Rossman's) report elsewhere in this issue. The Advertising Committee is planning the advertising for 2007 in several publications as well as in the local newspapers. The Art Gallery Committee makes sure the Gallery is open when it should be, and that it is clean. They are always happy to open the Gallery for special groups and provide tours. The Library Committee will have a meeting after the beginning of the year to discuss the inventory, care of some of the books that in delicate condition, and perhaps, cataloging them. The Music/Banquet Committee hasn't met yet, but there has been some discussion about more music for our events and perhaps a "musicale" for the 4th of July. The Education Committee has some exciting news about new classes, incentives, and more. Please refer to the "Dean's (Rev. Susan Hill's) column.

The Bylaws Committee will meet on April 28, 2007 at 9AM in the Admin. Office. Remember, any proposed changes to the Bylaws must be submitted to the office on the appropriate form and NOT LATER THAN April 1, 2007.

Speaking of Bylaws, the current Bylaws have been printed and are available in the office. The Finance/Ways and Means Committee has met twice and has submitted some strong and revealing information to the Board. Please read the Chairman's (Rev. A. Win Srogis's) report. As finances are mentioned, please read the \$Treasurer's\$ (Julie Fioretti's) report for some good news.

In the last Messenger (Oct. 2006) a "wish list" was printed. I am pleased to say that several of those items have been donated. Among them a Breadmaker (Rebecca Watson), 2 new Toasters (Sally Wellman), 2 new Microwave Ovens (Sally Wellman and Mickey Peridore), and someone is researching particulars for a new copy machine. We've also had 3 new clocks donated, and thanks go to Sally Wellman(2) and Barbara Yarnell and Ken Bede. We have also had office supplies, a CD Burner and a flat screen monitor for the office donated by Larry Goble and friends and new computer for the bookkeeper from Rev. Candace Smith and Larry Goble. Thanks also to Munson Steed for the new safe for the office and to Phil, Keith and Paul for transporting it.

At this time of the year we give thanks and count our blessings. I wish to thank EVERYONE who has given time, effort, financial help, prayers, and good wishes for our beautiful Camp. We are truly blessed.

OOOPS!!!

Two items which were written for the October 2006 Messenger did not make it into print. Apologies to Jeremy Kaylor and the great group of volunteers who did such a wonderful job at Spirit Fest. Thank you to Jeremy and his crew. Apologies, also, to all those who worked and served on Labor Day weekend. We had a good Seminary weekend, a wonderful Healing Revival, and our Psychic Fair. Many thanks to all who participated in this weekend. We try to make sure everything is done properly, but sometimes errors are made.

UPCOMING EVENTS

January 6	Psychic Fair
January 21	Student Feed & Read

March 23 - 25	Lecture & Workshop - John Sacelli
	"In the Beginning Was the Word"

Thanks! Thanks! Thanks!

As some of you know, there was a major gas leak in the Maxon Center and Vectren turned off the gas on the 24th of November. Extra special Thank You's to Phil Rossman and Keith Clark for working for two solid days to find and repair the problems - yes, there were several places which needed attention - and save the Camp several hundred dollars. Vectren turned on the gas on the 29th. Thanks, again, for a job well done.

Thank you to Phil Rossman and Keith Clark for decorating the fountain. It's beautiful!!

Thank you, also, to Rev. Rena Caddell and her students, Debby Caley and Becky Bruns for decorating the Chapel and the Maxon Center. They are wonderful!

Thank you to Rev. Judith Davis-Fox for making the "calls for food" for Thanksgiving and Christmas. Thank you to all those who prepared, brought, and helped serve food and to those who helped with the cleanup afterwards.

We celebrated Emma Krueger's 98th Birthday on Sunday, 11/26 during Fellowship time in the Maxon Center. Thank you to Rev. Lucille Zimmerman for providing the cake and ice cream and to Rev. Evelyn Reigle for calling people.

Congratulations!!! Jack and Phyllis Kennedy celebrated their 50th Wedding Anniversary!

A NOTE FROM YOUR TREASURER...

Hi again! We're going to talk "half-ies" this issue, keeping in mind the parable of loaves and fishes, of course...

In three and one half months, efforts have been made to reduce the IAOS deficit of \$67,870.00 as of August '06 to \$32,451.00 as of the first half of November '06.

We owe approximately \$11,000.00 on our line of credit, half of the \$22,000.00 pending in August this year.

Account payables are current, while the checking account is above \$12,000.00.

Should you continue this momentum with cash donations, suggestions / ideas, volunteering and optimistic, enthusiastic vibration, the figures for the first half of 2007 will read in the black for sure.

Thank you God for everything!!!

CAMP CHESTERFIELD COOKBOOKS ON SALE SOON!!!

Our Camp Chesterfield Cookbook is almost finished! We hope to have it ready for purchase sometime in February, hopefully in time for Power Weekend! The Cookbook has been a combined effort of several people, from donating their favorite recipes to typing and formatting the recipes for print. There will be wonderful photos and fantastic recipes for all tastes. Proceeds from the sales of the cookbook will be benefiting our Feed & Read program. Cookbooks will cost \$12 and if you would like one shipped to you, shipping and handling will be an additional \$3. You may call the Admin. Office at (765)378-0235 or email us at admin@campchesterfield.net for more information.

Make a Joyful Noise Unto the Lord:

You are invited to join the Camp Chesterfield choir. Everyone is welcome. If you feel you do not have time to participate fully with the choir, we are always looking for special music for our church. Do you like to sing or play an instrument? If so, please contact Mary Beth Hattaway at the hotel (765-378-0237) or hotel email (western@campchesterfield.net) or speak with Jon Cooksey our pianist. We look forward to "hearing" from you!

Do you have a new address? E-mail, phone or write us. Please keep us informed.

TREES, TREES, TREES

The electric company's subcontractor will be on the grounds soon to trim trees and remove a few that are too close to or growing into the power lines. This work may be started by the time you read this as it is supposed to begin within the next week or two.

Speaking of trees, mother nature took down the tall pine immediately behind the Western Hotel. It fell toward the Srogi's home but only the top portion ended up to the side of his pond with little or no damage and none to any buildings.

Maxon

Are you one of those who had noticed the smell of gas when entering the Maxon Fellowship Center? You should no longer have to endure those fumes. I went into the Maxon to get a step ladder and it was obvious that whatever was leaking had gotten much worse. The gas company (Vectren) was called and after about 2 hours of checking and testing it was decided that the gas service needed to be shutdown. Keith Clark's services were enlisted and two days later Vectren was called back and our service restored. The primary leak, there were several, was centered on the old, in the wall, gas heaters that had been shut down years ago. The piping feeding those had apparently deteriorated and had been seeping gas for sometime. The primary lines feeding those unused heaters, in the area of the crawlspace, have been capped. Whew! No pun intended, well maybe. When you see Keith give him a thank you. Great job!

WORK WEEKEND

November 11 and 12 was by all accounts a tremendous success. Leaves, yes lots of leaves, raked and removed. Boxes of material in the basement of the Cathedral are now up on steel shelving and the yard figures, deer and Christmas trees, are on display. There are three or four minor electrical projects that were completed, the Garden of Prayer has been closed for the Winter, the bricks at the Trail of Religions were swept clean of leaves and the leaves removed, swings on the porch of the Sunflower put away, the ARC building power washed, cleaned and the gutters cleaned and a downed section reinstalled. In addition, the leaves near the healing sanctuary were removed and the concrete patio and the cement blocks power washed. The Reverend Win Srogi provided our invocations and benediction. And the list goes on and on. Quite an accomplishment by our Work Weekend Crew. Blessings to all and thanks again for a job well done.

Jim Gay

Jim, Camp's groundskeeper, is taking the Winter off. He had surgery in October to have a pacemaker and defibrillator inserted. All is going well and he indicates that he feels better than he has in sometime. Keep Jim in your thoughts this Winter.

MORE EXPENSIVE TRANSOM WINDOW?

by Rev. Mike Mellott

Well, just when I thought we had reached our limit, our great students and supporters come through again! What am I talking about? Our fundraising efforts with salvaged items from the demolished Bazaar continue to be overwhelming successful. I'd like to send a great big "thank you" to everyone who has helped to raise funds for programs here at Camp.

We were able to collect a few items from the Bazaar and have used them to make some unique mementos. First, we still have some flooring which was cut into six-inch sections, cleaned, and numbered. Each section has a plaque which says "Camp Chesterfield Bazaar." These are being sold for \$20.00 each and have raised about \$260.00 already. There are approximately 20 of these left. If you are interested in buying one, contact me. If you're not coming to Camp soon, I can ship them to you for an extra \$4.00.

We've also resurrected the tradition of Camp postcards. Our first new postcard is a photo of the Sunflower Hotel and the proceeds will help to fund the hotel restoration project. A special thanks goes to Kate Archer for taking several shots of our beloved hotel; she did a great job.

The postcards are a limited run and we will not be reprinting them, so that makes them a real collector's item. They are also a real deal at only \$1.00 each. I'll also be glad to mail them out for an additional \$1.00. Again, give me a call if you'd like to have one (or several).

The truly exceptional treasures are the salvaged transom windows that were over the doors of the Bazaar. Four of them were saved and cleaned. The first one was autographed by most of the working mediums at Camp and historic photos of the Bazaar were mounted on the glass. It was auctioned off at August seminary and raised an amazing \$1,500.00 that was donated to Camp's general fund. The second window received the same treatment as the first and went up for auction at the student party at October seminary. The money from the sale from the second window was earmarked for the Sunflower Fund and it was hoped that this one would bring in as much as the first, but no one really expected that it would.

Several bidders, including one via cell phone, forced the price up quickly to over a thousand dollars. A few dropped out, but the price continued to climb. When the bidding got to \$2,000.00, only two brave bidders remained. Those two bid furiously against each other and the price went steadily up. As the crowd cheered wildly, the final bid of \$2,500.00 was going, going, gone and the second transom window went to a very excited bidder. It was truly an electric moment. Just when we thought it couldn't get any better, it did. An anonymous donor gave \$1,000.00 to the Sunflower restoration project. The generosity of the supporters of Camp Chesterfield is amazing!

There are two transom windows left. One will remain at Camp as a reminder of the building that started as the home of Amelia Colby Luther and served for years as the Bazaar. The remaining window will be auctioned off at the student party at April seminary. It promises to be an exciting auction.

On behalf of Camp Chesterfield, I would like to thank everyone who has helped support Camp through the good times and the challenging times. I feel, as many do, that Camp is back on its way up!

TO OUR FRIENDS OF CAMP CHESTERFIELD

Traditionally, during our services, we send out healing prayers for all the world. We would like to start also focusing our prayers for those who come to us with special requests. If you submit the name of a person who needs prayers, (picture optional) we will lay it upon the altar. During the healing service we will send our prayers and light a candle. These prayers can be for those in need of healing, extra strength, loved ones who have transitioned into the spirit world, and for animals.

Please contact Rev. Patricia Kennedy at (765) 425-4227 mail to: Camp Chesterfield, attn: Rev. Patricia Kennedy, P.O. Box 132, Chesterfield, IN 46017, or e-mail to admin@campchesterfield.net.

ARE YOU MOVING?

If you have moved or are planning to move, please fill out the Change of Address Form so you can continue to receive the Good News, The Messenger and other communications that may be sent throughout the year.

Friday Night Services

Our Friday night Worship Services have generated some interest. These services include Alumni, Students, and Residents. We will resume them in March. If you would like to participate in these services, please let us know. You may call Julie Fioresi or Fran Richardson. Thank You to Julie and the Rev. Rita Holl for starting and organizing this project these past 3 months.

WISH LIST

A suggestion was made by one of our members that items listed should include the costs, so here goes:

- A new copy machine (Office) - \$2900.00
- 2 new ice machines (Hotel & Maxon) - \$1800.00 each
- 29 new restaurant tables (Maxon) - \$250.00 each
- 150 new restaurant chairs (Maxon) - \$45.00 each
- 20 new restaurant tables (small)(Maxon) - \$95.00 each
- 3 new six-burner stoves (Maxon) - \$1000.00 each

MESSAGE FROM THE DEAN

by Rev. Susan Hill

There's so much exciting news from the Education Committee that it's hard to know where to start! The first big announcement is the introduction of a new path of study – the School of Spiritual Metaphysics. The seed of this path was planted a few years ago by the members of an earlier Education Committee that had also undertaken the monumental task of reorganizing the ordination and spiritual healer certifications, standardizing the required classes, and producing a new study guide. They were also responsible with implementing these changes in as painless a way as possible – a task that was accomplished successfully despite some early trepidation. The new program has been fully in place for a year and the current Education Committee felt it was time to take the plan for the metaphysical track and develop it.

The ARC book (which will be out in January) will contain more information about the requirements of School of Spiritual Metaphysics, but I'll give you the program in a nutshell here. There will be three levels of achievement; the Education Committee is still working on the titles of those levels and they will be explained in the summer edition of the "Good News." The required classes for the first level of achievement will be offered beginning in March 2007. They are: Basic Astrology, Basic Numerology, Basic Qabalah, Candle Ceremony, Color, Full Moon Meditations, Hermetic Tarot, Hierarchy and the Plan, Practical Metaphysics, and Sacred Calendar. Each of these classes, designated by MP, will be offered at least three times throughout the calendar year like all required classes and can be used as electives. We still have some of the details to work out, but we wanted to offer these classes just as quickly as we could. We hope you are as excited about this new path of study as we are!

To go along with this new study track, we wanted the title of our education program to reflect clearly all that we are, so our name changes from "Chesterfield Spiritualist Academy" to "Chesterfield Spiritualist Seminary and School of Metaphysics." It's a mouthful, but we felt that it was a more accurate representation of the instruction that we offer.

At our student meeting during October seminary, the universal request was for more electives. Well, guys, ask and ye shall receive. In addition to the new MP classes, you'll find many more electives offered, especially during week-long seminars. We've gone back to seven hours of classes during week-long seminars (remember, though, you can only take six classes – which will be a strain for you over-achievers!) and four rounds of classes during the maxi-seminaries in May and September.

MESSAGE FROM THE DEAN Continued....

This is a good place to remind you that we will still need to have two students in order for a required class to be taught and three for an elective class BUT we came up with a plan to ease the financial burden a little. If you register and pay for classes at least two weeks before the registration day of a seminary, you will receive a discounted price of \$5.00 off per class and the \$10.00 registration fee will be waived. For example, if you were to take five classes for April seminary and had your registration form and your money to the Administration Office at least two weeks before April 22, as a member, you would pay \$45.00 per class and there would be no registration fee. You would pay \$225.00 instead of \$260.00. Remember, to get the discount, both the registration form **and payment in full** must be received in the Administration Office at least two weeks before the registration date of the seminary you want to attend. You can download registration forms from the web site. Non-members who pre-register receive the same discount; classes for non-members will be \$55.00 and the registration fee will be waived.

We are pleased to announce the Rev. Lois Mosteller Education Fund, generously funded by Don and Diana Conover. The requirements are:

1. Any student who has taken at least three classes in the past twelve months may apply.
2. The student may apply for assistance for one class per week-long or weekend seminary. Students may apply multiple times.
3. A brief essay should be submitted to the Dean of Education at least two weeks prior to the seminary for which the money will be used. The essay should address the needs of the student. Send the essay to the Administration Office c/o Dean of Education.

There is a fixed amount of money in the scholarship fund and once those are all distributed, the fund will become inactive.

Wow!! I told you there was a bunch of new stuff!! As always, if you have any questions, please feel free to call me – my number's in the "Good News." The teachers, the ARC staff, and I look forward to seeing all of you in 2007.

Comments from your Ways and Means Committee

Each year at convention you receive a financial report covering what happened in the past 18 months. Your Ways and Means committee is working for you to get a head start on our funds, how they are generated, how to increase our income and reduce our expenses. What new things do our members want and how we can improve our communications concerning Camp Finances to help you understand what is happening and how your donations are being spent.

As a starting point we have examined what has happened in the past. We have reviewed all of 2005 and 11 months of 2006 and find that our funds are being spent as follows:

Monthly Average Costs to Run

Camp Chesterfield

Jan. 1, 2005 till Nov. 30, 2006

Expense	Avg / Month
Advertising	\$1,451
Teachers, Lecturers	\$1,920
Insurance	\$1,281
Maint, Supplies, Gas	\$610
Mail Serv. & Postage	\$744
Office Equip & Supplies	\$656
Printing	\$1,130
Electric	\$1,670
Gas & Surcharge	\$1,943
Telephone	\$560
Outside Contractor Service	\$1,305
Food Cost	\$737
Payroll & Payroll Tax	\$10,482
Books-Cost of Goods	\$2,393
Gifts-Cost of Goods	\$2,176
All Other Areas	\$3,010
Total	\$32,068

YES—this is a large per month expense, but keep in mind it covers 13 buildings and about 40 acres of land.

Committee Members

As a reminder the members of the Finance/Ways & Means Committee appointed by our President and announced in the last messenger are: Rev. A. Win Srogi—Chairman, Julie Fioresi, Rev. Patricia Kennedy (resigned from committee 12-10-2006), Katherine Bates, Rev. Angel Fioresi, Larry Goble and Pat Little.

New Ideas Welcome

Since the formation of this committee we have received many ideas from the membership concerning how to increase our income and provide opportunities for everyone to become involved. A few of these that have us very excited and we plan to move forward on are:

- **Spirit Photograph Contest** — This is something we will move forward with immediately and expect to have a contest each year to select the **“Spirit Photographer of the Year”**. Several committees are working together to define the rules and plan to have this in place, in time for the next Messenger. Watch for the details and get your cameras ready.
- **Joy Guide Festival** — A festival dedicated to our Super Guides that create Joy for all. Lots of music, dancing, singing and maybe even a costume ball. *Let us know what your Joy Guides would like*. Plans are moving forward and we are thinking about a **“Mid-Summer Joy Party”**. Get your Joy Guides ready!!!!
- **Camp Chesterfield Ambassadors**—Create a Network of Ambassadors in every major area of the US and Canada to help promote Camp activities and provide feedback from their area that will help us understand the needs and wants of all we serve. *If you are interested let us know!!!!*
- **Spiritual Gardens**—Starting with Sunflowers, create gardens to provide products we can sell. *Gardeners needed—let us know if you are interested!!!!*

New Ideas Continued

Many other ideas have been presented to the Ways & Means Committee and I am sure to all the other Committees actively working to provide you our members, friends and students a program that includes your input. I want to give special thanks to Patrick Hastings for the many good ideas provided and the thought, time and effort on his part to help Camp.

We Need Your Help!!!

And NO—this is not a request for money, but if you want to send money also we will not refuse it. We need you to take a little time out of each day and put into practice what we have all learned as students of Spiritualism and Natural Law. Many of you have received the green bookmark when shopping at the Tree of Life and/or attending various Services through the years. This is the bookmark that has The Great Invocation printed on one side and the Chesterfield Lives Affirmation on the other. We would like all of you to use the Affirmation on a daily basis, reinforcing the Light, Love and Prosperity in Abundance on all levels for these sacred grounds we call Camp Chesterfield. For those who might not have this bookmark handy the Affirmation is provided below.

CHESTERFIELD LIVES AFFIRMATION

Chesterfield Lives abundantly.

A Spiritual Center of Light

For all seekers of Gods Truth.

I am enfolded in the

Golden Magic Circle

Of Divine Love and

Rising on Wings of Spirit

I see Camp Chesterfield

Blessed with Prosperity

And the Abundant Riches

Of God on all planes

Physical,

Emotional,

Mental and

Spiritual

Another way to Help!!

For those of you who are students of Alice Bailey and the teachings of the Tibetan, you are probably already familiar with the Mantram of Unification. For those who are not, we believe this Mantram is excellent for healing the discord and cleavages that exist everywhere in the world today. Again, if you want to be of spiritual service, not only to Camp Chesterfield but to the World, this is an excellent Mantram to use on a daily basis.

The Mantram of Unification

The sons of men are one and I am one with them.

I seek to love, not hate.

I seek to serve and not exact due service.

I seek to heal, not hurt.

Let pain bring due reward of light & love.

Let the Soul control the outer form and life and all events,

And bring to light the love,

Which underlies the happenings of the time.

Let vision come and insight;

Let the future stand revealed.

Let inner union demonstrate and outer cleavages be gone.

Let love prevail.

Let all men love.

Hotel Incentives

We are re-instating the policy that states: stay 2 nights and get a 3rd night free. There are blackout times which include week-long Seminars and Spirit Fest. Also, the \$3.00 surcharge has been removed.

Recycling

There will be a separate garbage can in the cafeteria for aluminum cans. Don Conover, one of our members, has volunteered to take them to the recycling place and monies collected will go to camp. Thank you, Don

E-MAIL

We would like to cut our mailing costs and also move forward into 21st Century Communication. We can now send you the updated Bylaws, current Messenger, registration forms, etc... by email. If you have e-mail, and would like to utilize this for receiving information from us, please complete the information below so we can start sending most of our mailings to you via computer. You would still receive the Good News Books in the regular U.S. Mail. You can mail the information or email it to us:

Membership Application Forms

We have new membership application forms in the office. We will also put them on the website so they can be downloaded. If anyone has the old form, please discard them.

Smoking Section

We will ATTEMPT to have a smoking section in the northeast corner of the Maxon Center. More and more people are developing allergies to smoke, and we are trying to accommodate EVERYONE. If this doesn't work, the Maxon Center will become a "no smoking" facility. Of course, there still will be certain times when smoking will not be permitted - Banquet, Carry-ins, Psychic Fairs, to name a few. Thank you for your cooperation.
