**Overview**

Metaphysical meets modern to help you reconnect with the powers of creativity, confidence, love and abundance. Embrace the four elemental energies within, as personified by the Tarot Queens. Align with the archetypal energy of each Queen so that you can thrive in any situation. Ideal for people at the crossroads, no Tarot experience necessary. Learn which archetypal energy has shaped your life path, and discover how to tap into hidden sources of power to ride life's changing tides. All levels are welcome. Tarot experience not required. Based on the book, *Queen Up! Reclaim Your Crown When Life Knocks You Down* (Conari, 2018).

***Book signing at the Tree of Life 4:30pm – 5:30 pm***
