Welcome to the
Chesterfield Spiritualist College

“Where there is no vision, the people perish”

--Proverbs 29:18

From the Dean of Education and the Education Committee

Welcome! You have come to the right place to either begin or continue your study of Spiritualism and Metaphysics. Our academic program has been in place since 1943. Over the years, we have enhanced and expanded our course offerings in some areas and have also maintained the traditional and foundational curriculum of Spiritualism.

The mission of the Chesterfield Spiritualist College is to ensure our students are offered a focused, well-rounded, and relevant Spiritualist and Metaphysical curriculum and learning opportunities. The Education and Metaphysics Committees continue to work diligently to expand and enhance our academic program to confirm our students are prepared to carry out the expectations and duties of their certifications and Ordination.

Whether you are searching for answers, beginning your spiritual journey, studying for spiritual healing or the ministry, or becoming more deeply involved in your pursuit of self-realization, you will find what you are looking for on our sacred grounds. Our programs are specifically designed for not only advanced students, but for beginning students as well.

As the 2019 academic year begins, students will find we are moving toward full implementation of the new curriculum in 2020. This year, 2019, is the last year testing will be done under the current program. All classes that have been completed under the current program will be applied to the requirement of the new program where applicable. We encourage students to finish requirements under the current program and take the certification test in 2019 as all students will be participating in the new program beginning in 2020.

Once again this year, in addition to our required classes, we have some thought-provoking electives offered by our outstanding teachers. These elective classes bring a variety of philosophies and concepts on interesting subjects guaranteed to appeal to the most inquisitive minds.

For your convenience, students can now register for classes and pay tuition online at Camp's website: campchesterfield.net. Please give it a try. We think you will like it.

I would like to thank each member of the Education and Metaphysics Committees for their dedication and commitment to the advancement of our academic programs. The members of the Education Committee are: Rev. Lynda Richey, Rev. Jane DeVore, Rev. Vicki Corkell, Rev. Wahna Irvine,

Rev. Jeremy Kaylor, Rev. Todd Jay Leonard, Rev. Terry Ryan and Susan Wright. The members of the Metaphysics Committee are: Rev. Vicki Corkell, Rev. Normandi Ellis, Rev. Nancy Joseph, Rev. Sharon Kenton, and Rev. Terry Ryan. Special thanks to our IAOS President, Rev. Vicki Corkell, for her support of this Committee and her strong commitment to Chesterfield Spiritualist College and Historic Camp Chesterfield.

If you have any questions, or want to discuss your curriculum, please contact either Rev. Jane DeVore, Dean of Students or Rev. Lynda Richey, Dean of Education.

Blessings,
Rev. Lynda Richey
Dean of Education
