Welcome to the
Chesterfield Spiritualist College

"Where there is no vision, the people perish"

--Proverbs 29:18

From the Dean of Education and the Education Committee

Welcome! You've come to the right place to either begin or continue your study of Spiritualism and metaphysics. Our academic program has been in place since 1930. Over the years, we have enhanced and expanded our course offerings while maintaining the traditional and foundational curriculum of Spiritualism. The mission of the Chesterfield Spiritualist College is to assure that our students are offered a focused, well-rounded and relevant Spiritualist and Metaphysical curriculum and learning opportunities. The Education Committee continues to work diligently to expand and advance our academic program to ensure our students are prepared to carry out the expectations and duties of their certifications and Ordination. Whether you are searching for answers, beginning your spiritual journey, studying for spiritual healing or the ministry, or becoming more deeply involved in your pursuit of self-realization, you will find what you're looking for on our sacred grounds. Our programs are specifically designed for not only advanced students, but for the beginning students as well.

Once again this year, in addition to our required classes, we have some thought-provoking electives offered by our outstanding teachers. These elective classes bring a variety of philosophies and concepts on interesting subjects guaranteed to appeal to the most inquisitive minds.

For your convenience, students can now register for classes and pay tuition on-line at Camp's web site www.campchesterfield.net. Please give it a try. We think you'll like it.

I would like to thank each member of the Education Committee for their dedication and commitment to the advancement of our academic program. The members of the Education Committee are: Rev. Lynda Richey, Rev. Jane DeVore, Rev. Vicki Corkell, Rev. Wahna Irvine, Rev. Jeremy Kaylor, Rev. Todd Leonard, Rev. Terry Ryan, Rev. Susan Wright and Rev. Mary Lynn Crawford. Special thanks to our IAOS President, Rev. Vicki Corkell, for her continued support of this Committee, and her strong commitment to Chesterfield Spiritualist College and Historic Camp Chesterfield.

If you have any questions, or want to discuss your curriculum, please contact either Rev. Jane DeVore, Dean of Students or Rev. Lynda Richey, Dean of Education.

Blessings,

Rev. Lynda Richey

Dean of Education
